Since 1995 I have helped my clients buy or sell over 530 properties representing a total dollar volume in excess of \$90,000,000.00. I typically assist 40 to 50 families a year with their real estate needs. My business is split about 60/40 between assisting purchasers as a Buyer's Agent and assisting sellers as a Listing Agent. This level of production places me among the top Professional Realtors in St. Joseph County. I am a member of the Residential Sales Council, and have earned my [CRS](#) (Certified Residential Specialist) designation, a distinction held by less than 2% of all Realtors nationwide. Over the years I have earned many various awards for production that are distinctions earned by only the best top producing agents who achieve established criteria for professionalism as well as high levels of production.

In the course of my 30 year career I have sold approximately 900 homes representing a sales volume in excess of 90 million dollars. My experience as a homebuilder in addition to my Real Estate background allows me to provide my clients with the very highest level of service and representation.
